

# Dome Concession Stand Rules

## DOMEST ADMITTANCE POLICY

Every 16 and 17 year old volunteer must have a signed and dated "Parental Consent" form with them to enter the dome. Please print form from this website.

Every one must enter via Gate C and Gate C only. Your name must be on the list at the gate to enter.

We are in stand 262 for football and 142 for basketball. Make sure you sign in at the stand and also sign the sheet with your student's name and the group that the money will go to.

## PARKING

Parking passes are provided the week before the event. I do not have very many of these so it is encouraged that you car pool. The passes are for either BBB (Brewster/Boland garage) or NMAN (North Manley). The regular attendant at the BBB garage has always been very accommodating for volunteers in the past. During Field Band season I will announce the dates and times I will be at the high school to hand out passes.

## DRESS CODE

Please wear comfortable, closed-toed shoes with a rubber, no-slip sole (sneakers work best).

Long dark colored pants are required. Feel free to wear comfortable clothing that you won't mind getting slightly dirty. Jeans or khakis are good. T-shirts are also good.

Long hair must be tied back in a pony tail. We will provide the CNS hats to wear or bring your own if you have already bought one from us.

NO SHORTS  
NO CAPRIS  
NO SANDALS

Remember, we are a Non-Profit Group. Although we need to be professional, we also like to have fun! Not only are you raising money for your student's individual account, you are also raising money for the Band account that will help keep the cost of the trip down. So gather up your friends, the more people you bring the more money for your child's account and the more fun you will have, guaranteed.
